DEPUTIES' MEETING

Wednesday, 18 November 1951

25X1 PRESENT: Mr. Dulles, General Cabell, Mr. Wisner, Colonel White, Messrs. Kirkpatrick, [redacted] Sheldon, [redacted]

25X1

Mr. Dulles:

a. Raised the question of notification to the field of impending visits of individual Members of Congress and Congressional Committees, and after some discussion as to how this problem should be handled, approved Mr. Kirkpatrick's suggestion that he get in touch with [redacted] Morton in State and work out a method whereby such information to our people could be tied in with State's notification. The Director also said that if this procedure can be set up our field stations should be advised.

b. Noted a cable [redacted] respecting a proposed visit of [redacted] to the U. S. in February or March and noted his approval. In connection with visits in general to the U. S. [redacted] the Director asked [redacted] [redacted] to get across to them at some appropriate time after his arrival [redacted] that they should not in each instance expect to return to [redacted] with a list of accomplishments. The Director expressed the opinion that by and large these visits should be for the purpose of touching base and/or becoming acquainted with CIA officers and others as appropriate.

c. Approved DD/P's recommendation that a cable [redacted] be shown to Herbert Hoover, Jr. Mr. Wisner undertook to have [redacted] follow through on this.

d. Noted that [redacted] had asked him to lunch on 1 December with [redacted] and asked [redacted] to prepare a brief paper on our relationship with [redacted] [redacted] noted this was already under way.

Colonel White:

a. Raised the question of personnel required for duty on the Saturdays after Christmas and New Year's, and whether or not these days should be treated as "regular Saturdays". Mr. Sheldon noted he planned to have his office covered on each Saturday, however, arrangements had been made for his people to receive the benefit of one long weekend during the Christmas season. The Director said this appeared to be an excellent solution and asked that this matter be put on the Agenda for discussion at the next AD's Meeting.

b. Referred to the discussion at the Deputies' Meeting on Monday, 16 November, respecting CIA contributions to the Community Fund and noted that we were approximately \$3.00 short per individual employee in comparison with other Government agencies. The Director asked that the Deputies bring this to the attention of their appropriate key men with a view toward raising our contributions to the Fund.
